

Hindi Mastery – Reading, Writing & Expression

Module 1: Hindi Reading Skills and Comprehension

Learn to read Hindi texts fluently while developing comprehension through guided reading of stories, articles, and informative texts. Activities include summarizing, answering questions, and identifying main ideas and themes.

Module 2: Hindi Writing – From Sentences to Essays

Develop writing skills with a focus on sentence construction, paragraph development, essay writing, and formal communication formats like letters and reports. Emphasis is on coherence, structure, and appropriate vocabulary.

Module 3: Hindi Poetry – Rhythm, Rasa, and Reflection

Explore selected Hindi poems ranging from traditional to modern forms. Understand poetic devices, tone, and emotions (rasa). Learn how to interpret, appreciate, and express ideas through poetry.

Module 4: Prose in Hindi – Narratives and Reflections

Study excerpts from Hindi short stories, essays, and real-life narratives. Build critical thinking by analyzing characters, themes, and messages. Engage in reflective writing and discussions based on the readings.

Module 5: Basic Hindi Grammar – Rules and Application

Cover the essential components of grammar: **nouns, pronouns, verbs, tenses, gender, number, sentence structure, and punctuation**. Apply grammar rules in reading, writing, and speaking tasks for error-free expression.

Module 6: Translation Practice – Hindi to English and Vice Versa

Learn structured translation techniques for both directions. Practice translating paragraphs, dialogues, and informational texts while maintaining meaning, tone, and context. Ideal for bilingual communication and content development.

Module 7: Hindi Speaking Skills – Confidence in Communication

Focus on clear and confident speech. Learn everyday conversation, formal presentation, narration, and storytelling techniques. Emphasis is on pronunciation, sentence fluency, and culturally appropriate expressions.
